

KEY WORD MAT – St Gregory’s RC Primary School

Topic: Design Technology

Year Group: 2 Spring 1

Strand: Textiles-
Templates and Joining Techniques Australian Animal Glove Puppet

Design

A plan that shows what you are going to make.

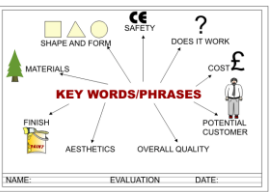

I am going to **design** my own puppet.

Purpose

The reason why something is done or has been made.

The **purpose** of a blanket is to keep people warm.

Evaluate

Make a judgement on how good a product is.

When we have finished making the puppets we will **evaluate** them.

Strengthen

Make something or become stronger.

We can **strengthen** our muscles by doing exercise.

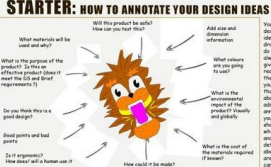

Fabrics

These are materials used to make clothes.

Cotton is a type of **fabric**.

Annotate

Add notes and give an explanation to an image or text.

You will need to **annotate** your designs to know exactly what you are going to do.

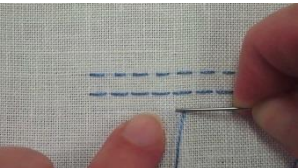

Join

To link or connect two things together.

When we stand in a circle we **join** hands.

Running Stitch

A line of small even stitches which run back and forth through the cloth.

You could use a **running stitch** to make your puppet.

Make

A way to create something by putting parts together.

We are going to **make** puppets.

Stapling

To attach or secure something with a staple or staples.

I am stapling some papers together.
