

KEY WORD MAT – St Gregory's RC Primary School

Topic: Design Technology

Year Group: 3

Strand: Textiles

Attractive

When a product looks good for a specific audience.

I have designed an **attractive** purse for my snack money.

Seam

A line of stitching that joins pieces of fabrics together.

You can see the outer **seam** of my jeans.

Compartment

A separate section.

I will put a chocolate coin in the **compartment**.

Sew

Join, fasten or repair something by stitching with a needle.

I use the needle and thread to **sew** two pieces of fabric together.

Needle

A thin piece of metal or plastic used to sew.

The **needle** goes back and forth, through the fabric to join them together.

Stitch

A single turn of thread or yarn used to join materials.

Running **stitch** is a type of **stitch**.

Template

A shape drawn to exact shape and size used to assist cutting out.

I will use a **template** to design my decoration.

Texti les

Cloth or woven fabric.

Textiles are different types of fabric.

Decoration

The process or art of decorating something.

The **decoration** will make my purse look like a dog.

Thread

A piece of cotton or nylon used in sewing.

I used a needle and **thread** to sew the button on my trousers.
