

Geography Long Term Plan					
Reception					
Autumn		Spring		Summer	
My Family and Me Autumn	Celebrations Winter	Reach for the Stars Winter	Marvellous Beasts Spring	Down on the Farm	Oh I Do Like to Be Beside the Seaside Summer
Different types of homes  The local area  How do I get to school?  Looking at where our different families are from around the world.	Where are the polar regions?  Map work and Google Earth.  Who lives at the North/South Pole?  Polar animals	Custodians of our world  Recycling	Where did dinosaurs live?  Where have dinosaur bones been found?	Where does food come from?  Farm to fork  What food is grown on a farm?  Food from other countries	Beaches I could visit on holiday.  Geographical features
Year 1					
Autumn		Spring		Summer	
Locational / Place Knowledge Our Common Home		Human / Physical Custodians of God's World		God's World - Our Legacy Laudato Si	
Our Country: We are Britain Content: UK, capital cities and seas		Our Local Area Content: A local scale study of 'our town Farnworth' – to include fieldwork		Coast and Our Changing Coastlines Content: Coastal features and the coast as a haven for wildlife Problems for UK coastlines	
Year 2					
Autumn		Spring		Summer	
Locational / Place Knowledge Our Common Home		Human / Physical Custodians of God's World		God's World - Our Legacy Laudato Si	
What a Wonderful World Content: Continents, North and South Poles, the Equator, oceans		Australia Content: A local-scale study of a non-European country e.g. Australia Comparing local areas at a similar scale		Antarctica Content: Polar regions, Antarctica and deserts. Links with Australia and deserts.	
Year 3					
Autumn		Spring		Summer	
Locational / Place Knowledge Our Common Home		Human / Physical Custodians of God's World		God's World - Our Legacy Laudato Si	
The United Kingdom Content: Equator, N and S Hemispheres, Tropics of Cancer and Capricorn, Arctic and Antarctic Circle Europe and UK regions		Mountains Volcanoes and Earthquakes Content: Settlement and land use		Effects of Climate Change and Natural Disasters Content: Droughts / Niger flooding / Bangladesh	

Year 4		
Autumn	Spring	Summer
<b>Locational / Place Knowledge Our Common Home</b>	<b>Human / Physical Custodians of God's World</b>	<b>God's World - Our Legacy Laudato Si</b>
<b>The Mediterranean</b> <b>Content:</b> Focus on latitude, 8 compass points, 4 fig GRs, Europe comparison with UK / region in country of Europe	<b>Rivers</b> <b>Content:</b> Distribution of natural resources such as water The water cycle	<b>Oceans and Plastics</b> <b>Content:</b> The ocean habitat, pollution
Year 5		
Autumn	Spring	Summer
<b>Locational / Place Knowledge Our Common Home</b>	<b>Human / Physical Custodians of God's World</b>	<b>God's World - Our Legacy Laudato Si</b>
<b>South America: Brazil</b> <b>Content:</b> South America, climate zones Comparison region in South America	<b>The Amazon Rainforest</b> <b>Content:</b> Biomes and vegetation Settlement and land use	<b>Global Trade Deforestation</b> <b>Content:</b> energy issues and connections Distribution of natural resources
Year 6		
<b>Locational / Place Knowledge Our Common Home</b>	<b>Human / Physical Custodians of God's World</b>	<b>God's World - Our Legacy Laudato Si</b>
<b>North America Arizona - Grand Canyon National Park, New York</b> <b>Content:</b> Focus, revise and consolidate all. Focus on Prime Meridian and time zones, six figure GRs	<b>Polar Biomes Arctic Tundra</b> <b>Content:</b> Biomes and vegetation	<b>Impact of Climate Change on Polar Regions: Antarctica</b> <b>Content:</b> Climate change in the Antarctic - locally and globally

**Summer 2 – Field work - What impact does our school have on the local environment?**
