

Reading

Children have been reassessed on Accelerated Reader and an up-to-date ZPD range has been provided. This should be in your child's reading record.

Please encourage your child to read EVERY night and record in their reading record.

As they have done previously, children will be able to change their reading book once they have read it and completed their online quiz.

Homework

Children will receive homework every Friday and will be due in the following Monday.

If you have any questions or concerns please do contact us. We will always do our best to help.

We look forward to teaching your child this year and are very excited to be part of

Class Teacher: Miss Allen

Teaching Assistant: Mrs Hallows

English

This term, children's English lessons will be centred on the texts *Tar Beach*, *Flotsam*, *Jim A Cautionary Tale* and *The Mysteries of Harris Burdick*.

We will also be using a range of fiction, non-fiction and poetry texts during our daily RAMP lessons, which helps us to improve our comprehension skills.

Maths

In Maths we are learning about decimals, money, time, statistics and Geometry (Shape and Position & Direction).

Science

In Science we will be learning about Electricity and Animals including Humans – Digestion.

PE

PE will take place every Monday and Wednesday. Please ensure children have full PE kit in school and that earrings are removed. Children will change into their PE kit in school.

RE

In RE, we will be focusing on the topics, 'New Life, Building Bridges and God's People'. During our new life topic, we are learning to understand the way we live our lives, how we treat others and by our words and actions, show if we have an attitude of service. During the 'Building Bridges' topic, we will be exploring the network of friendships and relationships that enable human beings to live together. As a part of the 'God's People Topic', we will be looking at and understanding the importance of our world and how it is special in the eyes of God and God's people.

Geography

In Geography we will be learning all about Oceans and Plastics.

History

In history we will be learning all about the Royal Bolton Hospital.

Design & Technology

In DT, we will focus on using our knowledge of electrical circuits and components to create a bedroom night light.

Art

In Art, the children will be looking at the work of Mary Edna Fraser's and inspired by her work, creating an oceans wax batik.
