

Reading

Children have been reassessed on Accelerated Reader and an up-to-date ZPD range has been provided. This should be in your child's reading record.

Please encourage your child to read EVERY night and record in their reading record.

As they have done previously, children will be able to change their reading book once they have read it and completed their online quiz.

As always, we are grateful for all of the support you give with reading.

Homework

Children will receive homework every Friday and will be due in the following Wednesday. They will receive a maths and SPaG activity to complete.

If you have any questions or concerns please do contact us. We will always do our best to help.

Class Teachers: Miss Cherowbrier

Teaching Assistant: Mrs Dunn, Mrs Johnson and Mrs Pollitt

English

This term, children's English lessons will be centred around a number of key texts.

We will also be using a range of fiction, non-fiction and poetry texts during our daily RAMP lessons, which helps us to improve our comprehension skills.

Maths

This term we will be looking at a number of maths topics such as geometry, statistics and shape. With SATs just around the corner, there will be a large emphasis on the rule of number and reasoning to help prepare the children for their tests.

Science

In science we will be learning about the human body. The children will explore the importance of the heart and lungs and the impact of a healthy diet and exercise on our body. We will complete a number of investigations to further our understanding on this topic.

PE

PE will take place every Monday and Thursday. Please ensure children have full PE kit in school and that earrings are removed.

RE

Our RE topic this term will be Witnesses. In this topic we will explore how the Holy Spirit enables people to become witnesses.

Geography

In Geography we will be learning all about Antarctica. We will be investigating the effect of climate change and what we can do to make changes to help.

History

In History we will be looking at the history of Bolton Wanderers football club. We will be exploring the key moments in the club's history and how it has impacted the club today.

Design & Technology

In DT we will be making our own fruit scones for afternoon tea for parents at our Leavers Assembly.

Art

In Art we will be creating our own 'Climate Change Collages' linking to our geography topic on the Antarctic.
